BEST LINCOLN MAGAZINE ARTICLE—FIRST QUARTER 1956

There will be much satisfaction among Lincoln students with the findings of the Foundation Advisory Group which has selected for the best Lincoln magazine article of the first quarter of 1956 a contribution appearing in the winter issue of the *Journal of the Illinois State Historical Society* by the late Harry E. Pratt. The subject of the monograph is "Lincoln's 'Jump' From the Window." The passing of Dr. Pratt on Lincoln's birthday makes this the first post-mortem award acknowledged by the foundation. We trust that Mrs. Pratt may receive some gratification for this belated recognition.
