*Editor's Note:* The Lincoln National Life Foundation is now making available to its subscribers a *Lincoln Lore* index for bulletins Number 1 to Number 1500 which is priced at \$2.00. A facsimile of the cover page is depicted in this issue. With the publication of this long needed tool, it seemed important to bring the index up to date with this compilation running from Numbers 1501 to 1557. This index, prepared by Mrs. Ruth Higgins, will illustrate the method used in the larger work. We trust our subscribers will be pleased with this project, and that they will order the index covering the bulletins from Number 1 to Number 1500.
